

THURSDAY – May 12, 2011
PUBLIC WORKSHOP MEETING

Community Senior Center
City of Hughson, City Hall
2307 Fourth Street, Hughson CA 95326

NOTICE OF PUBLIC WORKSHOP
CITY OF HUGHSON

Notice is hereby given that the City of Hughson Planning Staff will conduct a public workshop meeting on the Street Plan Lines for the City of Hughson as follows:

Date/Time: Thursday, May 12, 2011 at 6:00 p.m.

Location: Community Senior Center
2307 Fourth Street
Hughson

Purpose: The Street Plan Lines for the City of Hughson will establish future right-of-way lines for the purpose of widening and the extensions of major streets within the city's sphere of influence. The major streets include expressways, arterials, and major collectors. The established right-of-way lines are also intended to ensure that the appropriate setbacks are maintained as properties are developed. The Street Plan Lines include all or portions of the following streets: Santa Fe Avenue, Hatch Road, Whitmore Avenue, Service Road, Mountain View Road, Tully Road, Seventh Street, Euclid Avenue, Roeding Road, and Geer Road. The plan lines show the right-of-way widths including cross sections and alignment along each street on an aerial photo. All of the streets include a Class 1 bike path or Class 2 bike lane and sidewalk. The Street Plan Lines is not a street construction project nor does it directly result in a development project. All interested parties may attend and participate in the workshop.

Contact person: Paul Lui, Hughson Planner
Phone: 209 883-4054 ext 34

Dated on this 26th day of April 2011, at or before 5:00 p.m.

Michele Penirian Winterbottom, MMC, City Clerk
